Mark Thomas Advertising - Continue reading below Cal /Serv: 360 Yield: 4 Prep Time: 0 hours 15 minutes Total time: 0 hours 30 minutes 1 c. chicken broth 2 tbsp hoisin sauce 1 tbsp rice vinegar 2 tsp vegetable oil 4 black cod or halibut fillet 8 ounces shitake mushrooms 1 medium red pepper 1 tbsp minced fresh ginger 1/2 teaspoon minced jalapeno or serrano chile 1/2 c. chopped scallions and is imported on this page. You can find more information about this and similar content on your website. Preheat the oven to 400oF. You will need a framed baking sheet lined with foil. Mix the broth, hoisin sauce and vinegar. Heat the oil in a large nonstick frying pan over medium-high heat. Cook the fillets in a frying pan, skin up, 3 minutes or until just browned. Place the fillet skin side down on a prepared baking sheet. Bake the fillets for 10 to 12 minutes until the fish is cooked through. Meanwhile, fry in the same pan mushrooms, strips of red pepper, ginger and chilli for 5 minutes. Stir in the onion and stock mixture; Cook for 30 seconds. With a slotted spoon, evenly spoon the vegetables on each plate and on top each with the fillet. Spoon the broth over the fillet. But that's because we love to see the undead shuffle around listlessly (or zooming to their prey) in an attempt to scarf down brains, insides, and body parts. We love zombies, period, and we're always calculating exactly what we'll do in case the zombie apocalypse actually happens. (Fingers crossed it wrong.) What better way to get into some real training than by taking zombies in a great video game? Thanks to these shining industry gems, you can see exactly what he wanted to try to avoid these rotten creatures, or at least stand up and personally with them. Without further ado, here are 25 of the best zombie games out there, listed in alphabetical order. Just remember: goal for the head! It's zombie-killing 101. More Pop Mech-approved video games: 40 Best PlayStation 4 GamesThe 25 Best Nintendo Switch GamesThe 25 Best Horror GamesThe 30 Best Video Games 2019 (So far) 1 of 25 7 Days to Die Play NowWhat What Worse Than The Third World War Brought to Nuclear Weapons? How do zombies emerge after much of the world and its ecosystems are destroyed? 7 Days to Die Finds You Looking for Food, Shelter and Water in Navezgane, Arizona as you work, Survive as long as you possibly can against harsh new conditions and strict hordes of zombies who want nothing more than to have you for lunch. Create your own tools, tools, Your own shelters, and kill zombies as they pop up during the day game/night cycle. It's like a zombie Minecraft, only much scarier. 2 of the 25 Arizona Sunshine Play NowImagine being captured by zombies after waking up in a cave in the Arizona River Valley. As if dealing with the undead wasn't bad enough, was it? It's the size of things in arizona Sunshine, forcing you to take on hordes of zombies in VR as you search the legendary city of Sunshine, Arizona, where you believe human survivors are waiting for you after a brutal zombie apocalypse wreaks havoc on humanity. You have to slice and dice your way through the undead to get there in both single-player and multiplayer modes, all the while trying not to be crazy, or your humanity. 3 of the 25 days of Gone Play Now Gone is set in bleak, post-apocalyptic Oregon after a global pandemic turned the majority of the population into zombie-like creatures known as Freakers. As for you? Well, you're the outlawed deacon of St. John, a loner looking for his wife, long presumably dead. As Oregon is awash with bloodthirsty freakers, Deacon is still on the hunt for his wife throughout the game of a life-long, breathless world. It offers a tense, satisfying vision of the zombie apocalypse, and Deacon is the main character, for which it is easy to root for. You want to spend hours traipsing around dilapidated Oregon trying to figure out if Sarah is actually there somewhere. 4 of the 25 Dead Islands of Riptide Play NowDead Island: flip-flops, bright sun in the sky and innards scattered along the beach. Sounds like your perfect zombie getaway? It should, given that this zombie-infested recreation is one wacky ride. As one of the few immune survivors of some strange virus that turns the inhabitants of Banoa into shambling the undead, it is up to you to make sure that normal survivors (people who may still be infected) remain stocked with supplies, weapons and everything else they need to stay safe. Oh, and you'll do it by rushing around the island to beat zombies in pulp, creating weapons from materials that you will find on the ground and running for your life. What a great trip. You're already relaxing. 5 of the 25 Dead Nation: Apocalypse Edition Play NowAfter Society Is Collapsing Thanks to a Virus Outbreak, Resident Evil Style, you have to find a way to get supplies for your home and avoid all the zombies strolling around outside. This top-down shooter has you taking on the role of immune survivors, which eventually becomes something of a savior for humanity- with a pretty horrible catch. Journey is addictive, with lots of fun shootouts, strategic explosions, and a loot gathering with arcade-like multipliers dial as you shoot your way to freedom. Just don't expect it to be easy. 6 of the 25 Dead Rising Play NowEver are trapped in a mall absolutely swarming with zombies? This is what photojournalist Frank West considers himself a case for Dead Rising as he descends on the mall in South Africa Colorado, which is drowning in the undead. Here's the good news: Despite the fact that there are hundreds of zombies around you, you can use literally anything you find as weapons, including a lawnmower, guitar and chairs. The story runs on 72-hour hours, too, so you'll have to run in a limited amount of time. The good stuff is absolutely riveting all the time. 7 of 25 Dying Light: The Following Play NowDying Light is an interesting take on the zombie apocalypse that will eventually come for all of us (mark our words), serving up some frantic, raucous danger that just isn't found in most of the other games of its ilk. You are the main character Kyle Crane, the main man of the humanitarian global aid effort who has been tasked with tracking a particularly dubious gangster leader who has dark secrets to the organization in his pocket. The operation goes awry and you find yourself surviving in a land that has been invaded by zombies. You have to use your very best hardcore parkour skills to avoid the bloodthirsty suckers by staying in the light, picking up from the rough undead, and running towards some semblance of normalcy as you figure out that about your mission. No pressure, right? 8 of the 25 Murder Floor 2 Play NowThis gritty first-person shooter can be enjoyed alone or with friends and you will need all the help you can get as you fight through the waves of bloodthirsty undead zeds. These deadly enemies will increase in difficulty as you fight the extra monsters in each level until eventually culminating in a scary boss level. It's like the Left 4 Dead, only these zeds mean business. You get prey and experience to eliminate them though, since you mop the floor with them, you also grow as a result. League outside the original Killing Floor, the sequel is a must play for any zombie fan. 9 of the 25 Left 4 Dead Play NowLeft 4 Dead, valve in the seminal zombie-killing multiplayer classics, is one of the best games for rounding up a few friends and getting frag on while eliminating dozens of undead. Valve perfected this delightfully tense and spooky shooter when it first debuted, and it only got better with time. Join the four unique survivors as they blast their way through boomers, witches, hunters, and inglored zombies (as well as a few surprises here and there), clearing hordes of shambling undead as they go. If you haven't played it yet, what are you waiting for? 10 of the 25 Left 4 Dead 2 Play Now four new survivors. All new cards. Hundreds of reasons to go absolutely nuts on dozens of zombies streaming on the map with their sights set to kill. The sequel to Left 4 Dead may be pretty much the same game with huge improvements and new characters, but the two games are so closely related in terms of quality and perfection that you essentially have to include both in any list. They have to play for zombie fans and it's a terrible crime that we won't see left 4 Dead 3 this generation console most likely. Just, hoping we'll get one when the next wave of systems roll because it's been too long since we heard Pilley here! 11 of lollipop chainsaw Play NowCheerleaders and zombies: What more could you ask for? Lollipop Chainsaw puts you in a mini-skirt chainsaw-wielding Juliet Starling who hacks and slashes her way through the zombies as they descend on San Romero High School and eventually infect her boyfriend Nick. What should a girl do? Seen through these jerks, of course, all without tarnishing her adorable cheerleader form. It's a high-energy romp through the world of peace, love, rainbows, and gore, and of course a cure for the common zombie game, especially if you love bubbly characters and personalities like Juliet. 12 of the 25 Organ Trail No, the name is not written incorrectly. Organ Trail is a parody of the classic educational series Oregon Trail. Instead of making your way west for a new life in an indoor wagon, you have to cross post-apocalyptic America in an old station wagon to reach the zombie-free new home. You have a New Jersey clerk, a Miami lawyer, a Kentucky cop, and other motley characters traveling together as you collect for supplies, fight zombies, and hope you all reach your destination alive. 13 of the 25 project of the zombie Play NowThis open world survival game puts you right in the heart of Knox County, which is overflowing with zombies and quarantine by the government. As a survivor who doesn't really get any help from the said government, you have to find materials to prevent hunger, pain, fatigue, and stay sane while keeping the slow, plodding zombies that threaten your life every day. Although zombies are not fast and predatory like in other games, they still have something to follow, and thus the game is tense and strategic at best. 14 of 25 Red Dead Redemption: Undead Nightmare Play NowThe excellent Red Dead Atoneum gets zombie makeover as the undead descend on the city of Blackwater. Hero John Marston must prevent the resuscitated dead after they bite and zombified his wife Abigail and uncle, looking for a way to lift the curse that befell the city virus and serve zombies at every turn. This is a classic Red Dead game play with a zombie twist that is a genius, really. Maybe something like this will finally come to Red Dead Redemption 2. 15 of the 25 Resident Evil (Remake) Play NowWhen this HD remake of the original Resident Evil debuted on GameCube, it was a game-changer. Seeing Jill Valentine and Chris Redfield with stunning new character models, voice work, and a gorgeous new set of environments has given the game another spooky edge, turning one of the scariest zombie games of all time into a much scarier affair. This update of the seminal classic still holds today in every conceivable way, and is well worth picking up and experiencing, especially if you've never played the original. 16 out of 25 Resident Evil 2 Play NowThis consecrated consecrated The world of survival games changed everything when it debuted, introducing the world to Leon S. Kennedy and Claire Redfield as a policeman and college student doing his best to get out of the zombie-infested Raccoon City. With Leon living through the worst first day of work ever and Claire on the lookout for his brother Chris (the same Chris from the original game), the pair broke up and diverged on different paths throughout a perfectly tense thriller that has improved on an already great original game in every way. 17 of the 25 Resident Evil 2 Remake Play NowResident Evil 2 Remake is as close to perfect as remasters and HD versions can get, and that says a lot, given how much has been over the years. Capcom has worked some absolutely amazing magic on an already excellent survival horror classic, completely remodeling it from scratch. Join rookie cop Leon S. Kennedy and college student Claire Redfield on their way through zombie-ravaged Raccoon City. There's brand new content sprinkled with old, new challenges to conquer, and plenty of other secrets to uncover. Whether you're a new or veteran fan, you'll want to go back to Raccoon City and see how things have changed. 18 of 25 Resident Evil 4 Play NowFor many, Resident Evil 4 was the first entry in the zombie-laden series that got them into the series in the first place. It appeared on PlayStation 2, Wii and Xbox 360 later in its life cycle, but the release of GameCube is the debut version, and one that everyone fell in love with once they blew away their first Ganado. It showed a mixture of Leon S. Kennedy's new, enduring vision, quick events from hell, and an excellent storyline even Resident Evil veterans had to stand up and take note. While it may have strayed from the survival series Horror Roots, it was the adrenaline-fueled thrill ride that made a lasting mark in the industry for years to come, and one of the best zombie games of all time to date. 19 of the 25 Resident Evil 7 Play NowAfter briefly transitioning from a more action-oriented few adventures over several parts, Capcom took Resident Evil back to its roots a bit with Resident Evil 7. Despite being played in the first person, he avoided the constant stop-and-pop zombie-killing gameplay from the last few games for a more puzzle-oriented plot positively riddled with creeping fear and horror. Players follow a man named Ethan Winters, brand new to the series as he searches for the Baker family's rural home for the missing wife, and in many places, this is the scariest series ever had. 20 of the 25 State Decay 2 Play NowWhen it comes to zombies, open world survival games are usually the ticket to an amazing experience. This remains true with State of Decay 2, which finds players building a community in an attempt to survive against seemingly endless hordes of zombies. There's a lot of emphasis on cleaning for items, but co-op play makes it interesting to search And kill the undead who thwart your quest. Also, this record is a much more polished affair than the previous game, and you'll find that it's even more difficult as well, thanks to its satisfying struggle and push for realism. 21 of the 25 Stubbs zombies in Rebel Without Pulse Play NowMost zombie games you have to destroy the undead. Stubbs zombies allows you to

become one. What's your goal? Find people, kill them, and eat their brains that will provide you with health and make you more powerful. But you're not just a swollen zombie. You are a former salesman from the Great Depression who is just looking for happiness before he is killed and turned into a zombie. Can you find love despite your hunger for the flesh? Well, find out by playing, obviously, if you can stomach a little brain stem snack. 22 of Telltale's 25's The Walking Dead Play NowTelltale knocked him out of the park with his portrayal of the award-winning comic book series The Walking Dead, presenting an original cast of characters that immediately captured the hearts and minds of everyone who played it. Introducing the main character Lee Everett, the surrogate parent of young Clementine, he made us all resist everyday fears like losing everything to zombies while still having to fight them and make some semblance of life. Although Telltale Games is unfortunately no longer with us as a studio anymore, it has left behind a legacy that we will not soon forget: Clementine will remember this. 23 of the 25 House of the Dead: Overkill Play NowIf you like your zombie movies and games cheesy, gory, and a bit of R-rated, you'll be thrilled with House of the Dead: Overkill, which you're blasting away zombies as part of a railroad shooter filled with explicit language, rude jokes, and violent images that makes for a cult movie-like experience. Made even cooler by Typing a dead version that debuted later, this is one of the weirdest and most hilarious takes on the zombie games you'll ever see. 24 of the 25 The Last of Us Play NowNaughty Dog brought us cinematic supremacy uncharted: Drake's Fortune and the memorable platformer Crash Bandicoot years before, but he outdid himself with the last of us. This follows a man named Joel who hikes with teenage girl Ellie through a post-apocalyptic U.S. version in search of a way to protect himself from the mutated strain of cordyceps fungus, which has turned much of the human race into a zombie-like creature known as Clickers. It's a heartbreaking and exciting journey that you won't soon forget, and there's a sequel on the way, so go ahead and play until you have time to catch up. 25 of the 25 zombie Play Now'ombiU is a unique take on a typical zombie game that finds you playing as a zombie apocalypse survivor (yes, again). This time it is set against the backdrop of destroyed London, which crawls with zombies. When it came out, it was widely used Wii U GamePad, with touchscreen elements and GamePad Feel the rotation for context-sensitive activities such as performing zombies, escaping from them, or solving puzzles while scanning areas for items. It later debuted on PlayStation 4, Xbox One and PC, but the Wii U version was the most intriguing. Also, it looks fantastic. Fantastic. cod black ops 3 zombies the giant guide
